

Acacia Venture Capital Partners

Job Opportunity: Analyst – Shanghai

Our Company

Acacia aims to make market leading investments and create world class business development opportunities between China and the rest of the world. We are a collection of curious, inquisitive minds dedicated to creating a leading investment firm by leveraging our entrepreneurial background and global experiences.

What will you do?

- Perform market research to identify new investment trends and opportunities
- Gather information from target companies, their peers/competitors, and from industry experts
- Evaluate target companies technologies through research and expert engagement
- Perform valuation analysis via modelling
- Prepare internal investment memos
- Contribute to internal meetings where new investments and portfolio companies are discussed

Who are we looking for?

- Experience at a start-up, PE/VC, investment banking, consulting, or similar firms
- BS or MS; preferred in Finance, Accounting, Economics, or Technology discipline
- A responsible individual with exceptional organizational and critical thinking skills with the ability to work both independently and collaboratively to meet objectives
- A self-motivated, entrepreneurial mind-set and independent attitude
- Strong problem-solving and analysis ability with a high level of attention to detail
- Strong qualitative and quantitative research skills
- Highly proficient in English with excellent communication skills, both spoken and written

What do we offer?

- Direct mentoring from the Investment Committee
- Interaction with diverse global minds
- High flux of deals
- An amazing office space in central Shanghai, Huaihai Road
