- An amazing office space in central Shanghai, Huaihai Road if working onsite

What will you do?

- Perform market research to help identify new investment trends and opportunities
- Gather information from the target company and industry experts
- Research potential competitors to the target company
- Research and talk with technical/business consultants to evaluate the target company's technology
- Conduct background checks on the current management of the target company
- Perform valuation analysis via modelling
- Help preparing internal investment memos
- Participate in and be asked to contribute to weekly internal meetings in which new investments and portfolio companies are discussed

Who are we looking for?

- BS or MS; preferred Finance, Accounting, Economics, Computer Science, Engineering or Technology discipline
- A responsible individual with exceptional organizational and critical thinking skills with the ability to work independently and collaboratively in a team environment to meet objectives
- A self-motivated, entrepreneurial mind-set and independent attitude
- Strong problem-solving ability and a high level of attention to detail
- A logical mind with an ability to analyse
- Highly proficient in English
- Excellent communication skills, both spoken and written
